

# Providing Holistic Therapy for Senior and Post-Operative Dogs

## About Me

I am a certified Canine Bowen Therapist, offering gentle, targeted treatments that support recovery, ease pain, and improve mobility especially for post-operative care, arthritis, and senior dogs.

## What we do!

-  **Bowen Therapy**  
Gentle, non-invasive bodywork to support healing, reduce pain, and improve mobility in dogs of all ages.
-  **Post- Care**  
Tailored recovery plans to help dogs regain strength and function after surgery.
-  **Arthritis Management**  
Supportive care to ease joint pain and stiffness, enhancing comfort and movement.
-  **Senior Dog Care**  
Specialised treatments to maintain quality of life and mobility in ageing dogs.
-  **Low-Level Laser Therapy**  
Advanced laser therapy to accelerate healing, reduce inflammation, and relieve pain.
